

Weeki Wachee Kayaking

Groups/Special Occasions/Corporate Events

Weeki Wachee Kayaking will do everything possible to make your relaxing day kayaking or canoeing the Weeki Wachee River memorable. We will work with you in advance to make a special occasion event or memorable day on the river as hassle free as possible. We offer special trips and tours based on your group's needs and requirements. We have night kayaking available for those who wish to experience the river "After Hours". Kayak races, treasure/scavenger hunts, birthday parties and other special events can be arranged to meet your individual group's needs. Food and catering is available for events and for weddings the use of the Christian Camp's facilities is possible based on availability.

Special corporate team buildings tours and events can be arranged. We came from corporate America and can help facilitate a kayaking or canoeing tour incorporated into your group's specific goal which will help "you" get the best ROI. Whether the tour is for staff or for your customers as a customer appreciation day on the river, Weeki Wachee Kayaking will make it incredible. We will customize the experience to your group's specific needs.

Every time they remember the trip they will remember that you made it possible. What better reward than helping to create a lifetime memory for your employee or customer. Don't send them bowling so all they remember is foot blisters. Don't let them remember you for giving them foot blisters! Send them kayaking with Weeki Wachee Kayaking where our motto is "Save a Manatee - Ride a Kayak! Please contact us with your special requests and we will make it happen.
